

Langdon Parish Council

April 2019

PARISH EXTRA

Welcome to this extra issue of the parish newsletter which highlights some of the coming events between now and the next regular newsletter in June.

You are invited to attend the Annual Parish Meeting at East Langdon Parish Hall on Monday 15th April when reports will be received from local organisations followed by a talk from our guest speaker Keith Parfitt.

This will be a great opportunity to learn about the prehistoric discoveries in the Kent area from a nationally recognized professional archaeologist.

The purpose of the Annual Parish Meeting is so that the Parish Council can explain what it has been doing over the last year and it enables the electors to have their say on anything they consider is important to the people of the Parish.

CELEBRATING COMMONWEALTH DAY 11th March

Langdon Primary School led the annual "Raising Of The Flag" at the village green to mark Commonwealth Day. In unison with many other Commonwealth communities across the world, the Leeds Year 5/6 class read aloud the affirmation before the flag was raised at 10am. Well done Langdon pupils!

TOAD WATCH UPDATE

There has been an amazing response by volunteers wanting to help our amorous toads safely cross the roads to East Langdon pond. for their annual spawning!

Apart from the regular helpers, we saw family groups searching the lanes during March evenings. Reports of several hundred toads being carried to the pond on some warm evenings is a great achievement. On behalf of the toads - "Thank you!"

LANGDON JAZZ EVENING

What a great treat to be entertained by a talented group of London Jazz enthusiasts!

More than 60 people welcomed the return of The Old Hat Jazz Band for the third appearance in Langdon to share their love of 20s and 30s music.
