LANGDON NEIGHBOURHOOD PLAN SURVEY JUNE 2022

Have your say!

Langdon Parish Council is conducting a survey of the local communities in all four villages to inform our Neighbourhood Plan for the period 2023-2040. This is your chance to tell us how you want your community and surroundings to evolve over the coming years.

The survey will be delivered to every residence in the parish and online at www.langdonpc.org.uk/ndp. Households are invited to respond to the questionnaire so that findings record the parish views. The results from the survey will tell us which aspects of parish life are most important to local people and those areas where change is needed. The Parish Council will use the results to produce a neighbourhood plan, setting out the key issues, policies and projects.

If you have any questions about the survey or need help, please contact Chris Shaw (07971 579096) or Dave Willett (077322 86512.) Please return completed questionnaires by 24th June to the parish clerk or any parish councillor (see the list below). Alternatively post it in the letter box at East Langdon Parish Hall.
